Respirators & Masks

Fit for the task.

Our innovative designs and premium materials ensure that Medicom face masks provide reliable protection, as well as exceptional breathability and comfort, whether NIOSH-certified N95 respirator or ASTM level 1, 2, or 3 face masks.

SafeMask Architect Pro™ Surgical N95 Respirator

Medical grade with optimal respiratory protection.

Filters 95% of particulate aerosols free of oil.

- High-quality materials and duckbill shape offers optimal breathability with no exhalation valve needed.
- Unique single-split comfort bands hold respirator in place without pulling or irritating skin.
- Lightweight construction ensures comfort; up to 50% lighter than other leading respirators. *Based on internal average mass weight assessment vs other respirators on the market.*
