30 ANS D'EXCELLENCE · 30 YEARS OF EXCELLENCE

We've got you covered.

Product Catalog | Animal Health

Medicom helps keep four-legged creatures and the humans who care for them safe.

We offer a wide selection of veterinary supplies, including training pads, wipes and bandages, as well as a complete portfolio of personal protective equipment and disinfectants to keep veterinary healthcare professionals safe.

Our Portfolio

Respirators
& Masks

Fit for the task.

Our innovative designs and premium materials ensure that Medicom face masks provide reliable protection, as well as exceptional breathability and comfort, whether NIOSH-certified N95 respirator or ASTM level 1, 2, or 3 face masks.

AssureMask Balance™
Procedure Earloop Face Masks

Provide the ideal balance between protection, breathability and comfort.

· Made from high-quality materials to protect without the gaping, discomfort or irritation often caused by lower-quality masks.

Gloves

A perfect pair.

Our complete range of premium quality medical examination and surgical gloves are made using select materials that provide superior protection, durability, and grip without compromise to flexibility, tactility, or comfort.

AssureTouch™ Pure Nitrile Glove

Nitrile glove with excellent tactile sensitivity while reducing the risk of skin reactions.

· DermaSense technology helps reduce the risk of skin reactions that could be caused by chemical accelerators commonly found in other nitrile gloves.

· Textured fingertips ensure a secure grip, even when wet.

· Chemo tested.

Wound
Care

Promoting healing.

Our complete portfolio of high-quality wound
care products, including gauze, bandages,
sponges, and pads, help keep four-legged
patients safe and comfortable while they heal.

Ritmed® Cohesive Bandages

Highly adaptable no-slip bandage adheres to itself, not to skin or fur.

· Available in Latex-Free option

· Easy to tear

Sterilization

Peace of mind.

Our reliable self-sealing sterilization pouches, CSR sterilization wraps, and sterilization reels provide the confidence that comes from knowing that your instruments have been thoroughly sterilized and are safe to reuse.

SafeSeal® Quattro Self-Sealing Sterilization Pouches with TruePress™ Technology

Medicom self-sealing sterilization pouches and reels provide the peace of mind that comes from knowing that your instruments have been thoroughly sterilized.

· Porous medical grade paper that maximizes steam penetration

· Perforated fold that facilitates precise folding of the extra-wide self-adhesive strip to form an airtight seal

· Internal and external multivariable process indicators for time, temperature and saturated steam

· Multivariable process indicators printed directly on the pouch to clearly confirm sterilization results

· Proprietary, blue-tinted film that makes it easy to view contents and detect punctures or tears

· Convenient thumb notch that makes it easy to open the pouch without contaminating the contents
